### Bring a snack to share:

Your meals beginning with Friday night dinner and ending with breakfast on Sunday are covered. However, bring some snacks AND bring a snack to share with the group!

### Schedule:

Man Camp is an opportunity to relax AND enjoy community. So please make it a point to be at our messages / devotional times in the morning and evening and don't spend all your free time in isolation. Rest...in the presence of God and others!

### Recreation:

You are welcome to bring ATVs, kayaks, fishing gear, firearms (no discharge of firearms in camp), motorcycles, etc. You will have ample time on Saturday to enjoy recreational opportunities!
